► Crisis Services (630) 627-1700

Services are available 24 hours a day, 7 days a week,
and 365 days a year

Crisis Services is staffed by highly-trained counselors who respond to DuPage County residents who may be experiencing a psychiatric crisis or are in need of additional support for symptoms of mental illness. Crisis Services staff provide brief intervention, support, guidance and linkage to Behavioral Health Services.

Services Include:

- Crisis walk-in counseling and assessment of needs
- Mobile crisis response for adults and youth at location of crisis in order to determine appropriate level of care
- The SASS (Screening Assessment and Support Services) Program provides intensive mental health services for children and adolescents who may need hospitalization for behavioral health care. Referrals come through Statewide CARES Hotline, 1-800-345-9049
- Linkage to services for residents coming out of a psychiatric hospital or jail
- Crisis Residential Unit – 12 bed unit for adults who are experiencing an increase in psychiatric symptoms but do not require inpatient hospitalization
- Suicide and Crisis Lifeline: dial 988
- Psychiatric evaluations
- Short term crisis counseling
- Trauma and Disaster Team

► Youth and Family Services

Youth & Family Program provides outpatient behavioral health services to youth and families with emotional problems.

Services Include:

- Consultation to schools and youth serving organizations
- Services for individuals and families experiencing behavior health and substance use related issues
- Psychiatric evaluation and medication management
- Individual, group, and family counseling
- Linkage to community resources
- Wraparound planning and service coordination
- Crisis intervention
- Parent education and support
- Assistance with Family Support Program (FSP)
- Pathways to Success Care Coordination Services

► Adult Outpatient Services

Adult Services provides treatment and support to adults ages 18 and older experiencing behavioral health and emotional problems. To promote recovery, our comprehensive program assists DuPage County residents to cope and manage while living independently in their community.

Services Include:

- Individual, group and family counseling
- Psychiatric evaluation and medication management
- Case Management Services
- Substance Use Treatment – Evaluations, Early Intervention, Outpatient, Intensive Outpatient, and Medication-Assisted Treatment (MAT)
- Forensic Behavioral Health: Specialized help for those also involved in the criminal justice system.
 - Outpatient Fitness Restoration
 - Mental Illness Court Alternative Program (MICAP)
 - Special Needs Advocacy Program (SNAP)
 - Substance Use Treatment
 - DuPage County Correctional Facility Substance Use Recovery Pod
 - DuPage County Correctional Facility Re-Entry Program
 - Post-Crisis Response Team (PCRT)

► Adult Intensive Services

Adult Intensive Services assist adults with psychiatric illness in living as independently as possible. A wide array of services is offered in the residential setting which lead to increased functioning and supporting the resident in living as independently as possible.

Services Include:

- Residential Services:
 - Group Homes
 - Apartment Programs
- (CST) – Community Support Team provides intensive community-based rehabilitation and support to individuals with complex needs and/or multi-system involvement
- Educational classes
- Psychosocial Rehabilitation – Outpatient Plus Recovery Services (OPPR) provides classes and groups that support the functioning of the individual to promote a higher quality of life
